The Prez Sez . . .

I would like to thank everyone for the great attendance of the Code Educational Institute. It was very successful, and, we will plan it again for 2011. With this new year and all the budgets problems we have to work together to be very cost effective. I would wish everyone a Happy and Healthy New Year and your family.

Warmest regards,
Ray Sack, President

I hope that everyone enjoyed the holiday and I wish all of you a Happy New Year. Hopefully we will see more new construction beginning in 2011 and get more people employed back into our Building Departments.

This year's joint conference, "Code + People 2011", put on by Central Ohio Code Officials Association is coming together. You can visit their website for the conference application and hotel information. There is an early bird registration price and we are told that you want to make your hotel reservations as soon as possible because there is another event occurring at the same time as our conference.

The Ohio Board of Building Standards will be reorganizing the way educational classes are approved. Instead of having classes reviewed and approved for a specific code cycle, all classes will be required to be renewed on an annual basis through the Board. In this manner, individuals will be able to get credit for a class even if you took the same class the prior year. As the Board gets closer to finalizing this new process, we will be informed on how to register the educational classes. It is also anticipated that in 2011, we will see the implementation of the new code cycle for Ohio.

As we begin a new year, the BOCONEO Executive Board would like to hear from its members on any ideas or input you have for the good of the organization. Please feel free to contact any of the Board members with your ideas for educational classes, volunteer opportunities, or community events that you feel the organization could participate in. We want to continue building an organization that supports its members and is active in educating the public in how we help in providing safety in the built environment.

Paul Kowalczyk, CBO, RA
BOCONEO Vice President

January 2011 Page 2

Starting January, 2011, we will be using a new form for reservations for our meetings.

The BBS has "asked" that all sign-in sheets be typewritten. To make this easier for you and those at the desk and behind the scenes, all members are being asked to sign up using the form on the web site. This will allow us to automate the sign-in process. At the meeting, you just have to initial in and out. No more looking for pens, getting into the long line, and we should be able to use this for those meetings where there are more than one sign-in sheet. Roundtables will still be done by hand.

Changes to the form:

Enter your first name and middle initial (as used on BBS certification).

Enter your last name and suffix (as used on BBS certification).

Enter your BBS ID No. (If you do not hold a BBS certification, please enter - None).

The automatic sign-in is **NOT** available via fax, mail, or call-in.

Fill out the form to reserve a place at this meeting.
