Treasurer

Mike Skvasik
Village of Glenwillow

Past President

Ray Sack
Wickliffe, Ohio

We are rapidly approaching our annual golf outing on July 19th at Grandview Golf Course. It has always been the goal of the executive board to award as many scholarships as possible through the proceeds of this event. In order to do that, we need the help of our members to secure hole sponsors. This is one of the many ways you can get involved in our organization. It is always a great feeling when we can provide our members with money to help out their child's pursuit of higher education. Please help out BOCONEO by soliciting hole sponsors.

June's meeting will be starting at 10:00 am. This is a 5 hour class and in order to get credit, you must be there at the start of the class. **We will not be holding roundtables this month.**

There will not be any meetings during the month of July and August but we hope to see many of you on the golf course. After June, our next meeting will be in September. Also in September will be the ICC Annual Business Meeting and Final Action Code Hearings in Atlantic City. If you are interested in attending this event, visit the ICC website and sign up for the "Code of Honor Scholarship." Money is available through ICC to help defray some of the cost.

If you have never attended the Annual Business Meeting and would like to attend, please speak to one of the board members. Since the meeting is being held on our side of the country and is within driving distance, we would like to get a large contingent of Ohio people to the event.

I hope that everyone has a safe and enjoyable summer!

Warmest regards,

Paul Kowalczyk
President

This Month's Meeting

Fire Door Systems, A Guide to Code Compliance

David L. Dodge, CSI, CDT

Director of Business and Code Development

McKeon Door Company

5 Hours for BO, MPE, BI, FPI, RBO, RPE

This Months Educational Presenter

June's class is "Fire Door Systems, A guide to Code Compliance" which will be presented by David Dodge of the McKeon Door Company. There WILL NOT be any roundtables this month as the class will begin at 10:00am, break at noon for lunch and then continue the remainder of the class after the lunch break. This 5 hour class offers 5 hours of continuing education credit for the following certifications: BO, MPE, BI, FPI, RBO, RPE.

This class is one that would be of interest for the Fire Prevention Officials in your jurisdiction. Take the liberty of inviting them to the meeting and have them register themselves. The guest fee of \$15 is a great cost for 5 hours of continuing education for Fire Safety Inspectors and lunch.

Last month we experienced a few requests for a vegetarian type of lunch. Please email your request to boconeo@gmail.com when you register so arrangements can be made for special diets. We will make every attempt to accommodate the requests.

If you have registered for the class and find that you will not be able to attend, please send an email to boconeo@gmail.com with that information so we can adjust the attendance count. We understand that schedules can change so we ask you to help us control some of the expenses with the courtesy of a cancellation notice. Thank you.

Michael Gero
Educational Chairman

Technically Speaking...

I've added a new feature to the website for all members to use. We now have a **Classified Ad board** for non-commercial use. Are you selling a house, car, boat, tractor, jet ski or other personal item? Someone in our group (**over 350**) might just be interested in your offer.

The rules are simple. You must be a member to post and no off color topics. The board reserves the right to remove any ad deemed non-appropriate at it's sole discretion.

The **Classified Ad board** has been moved. You can find it under the Information tab on the main menu bar.

I did not change the Constant Contact sign-up form to reflect no roundtables this month. Check no on each block when registering.

See you at the final Spring Meeting. Have a great summer.

Gregory Fort
Webmaster
