From Your Secretary

If you attended last month's meeting, you were amongst the first to try out the new electronic check in system. Other than a couple minor hiccups, the system worked as planned. I was just a wee bit nervous for the first round and even felt myself getting frazzled a couple of times. My apologies, it was not intentional. With one month under the belt, I'm sure this next month will go even better.

What we learned last month. For the roundtable check in, if the class you are selecting is already highlighted in the selection box, you DO NOT have to touch the screen and reselect it. It's ready to go. Just swipe your card. If you class IS NOT highlighted, you need to touch the screen and select the proper class, then swipe your card.

For the main class there is no selection necessary. The class is pre-selected for you. You do not have to wait for the screen to say "Ready for Scan" to check in. If you hear the beep, you're in the system. The scanner works faster than the computer. Rest assured, if you hear the beep, you're good to go. This applies to both the check in and the check out.

If you are a new member, or still have not received your membership card, they will be available for pick up. I do have to wait until the crowd slows down to go into another area of the program. Same thing goes if you are bringing your dues with you. We'll take care of it after the check in.

Speaking of dues, I have attached a list of members not yet paid. I have made arrangements with the City of Cleveland, so those names are not included. This will be the fourth meeting of the year. You will need to bring your dues check with you or pay the \$15 meeting charge.

This Months Educational Presenter

Last month we electronically distributed the class certificates. Thank you to all for your assistance in working through the process. We will continue the electronic check in and electronic delivery of certificates. If you do not receive your certificate or have an issue with your receipt of the email, please let us know at boconeo.certificate@gmail.com.

We will be using the email address provided when you register for the class. Please be sure it is correct. Also, in order to receive proper credit please double check your name and BBS ID number when you register.

April's class will be presented by Steve Regoli of BBS staff. The title of the class is "OBC Chapters 1 and 17". This class, BBS 2015-176, is approved for 3 hours of credit for certifications, BO, MPE, PPE, EPE, BI, FPI, MI, PI, NRIUI, ESI, RBO, RPE, RBI, RMI, RPI, and RIUI. This class is also approved for ICCPP credits.

The electrical, plumbing and plan examiner roundtables begin at 10:30 a.m. Roundtables will run from 10:30 to 11:30 a.m. with lunch starting around noon. Please sign up only for the roundtable you plan to attend.

All classes require a distinctive sign in sheet. The BBS requires attendees to sign in within 15 minutes of the class beginning. You must remain for the entire class to receive credit. Certificates of attendance will be distributed electronically after completion of the class. The attendance rooster is submitted to BBS by BOCONEO. Your certificate is required to be submitted to the BBS by you when you renew your certifications.

Just a couple of housekeeping reminders; if you would like a vegetarian type of lunch please email your request to boconeo@gmail.com when you register so arrangements can be made for special diets. We will make every attempt to accommodate the requests.

Also, if you have registered for the class and find that you will not be able to attend, please send an email to boconeo@gmail.com with that information so we can adjust the attendance count. We understand that schedules can change so we ask you to help us control some of the expenses with the courtesy of a cancellation notice. Thank you.

Michael Gero,
Co-Educational Chairman
