President's Message

The November meeting will be our annual business meeting. Each of the officers will present a report on their activities over the past year.

Scholarship applications are due by December 31, 2016. The current application can be found on our website.

Mr. Alan Fodor was missing from our list of Golf Outing donors. I want to thank him and all sponsors for participating in this years' successful event.

The ICC conference in Kansas City is fast approaching. The ICC ABM code hearings will be held. We have a couple of registrant certificates for admission to the conference available for use. Contact me if you are interested. If you cannot attend in person you may still participate in voting on the proposed code changes through cdp Access.

Please remember to not wait for the monthly newsletter to register for the monthly educational meeting. Greg frequently has the registrations available before the newsletter is published.
