President's Message

On April 28, 2017, our annual Educational Institute will be held at Normandy Party Center. This years' topic will be the Significant Changes to the 2015 International Building Code, including mechanical and plumbing.

The course will be taught by Jerry Flanik. The cost is \$120. Please see the included flyer. For you BBS certified inspectors, plans examiners, and building officials, the state will likely be holding mandatory education courses on this topic in the fall.

In September, the Annual International Code Council (ICC) Conference will be held in Columbus. Keep an eye on OBOA's website for updates.
