President's Message

We have received a verbal authorization from the IRS that our tax change to a 501(C)(3) has been approved. We await a formal response in the mail. 50/50 raffles should be able to commence soon.

On April 28, 2017, our annual Educational Institute was held at Normandy Party Center. This year's topic was the Significant Changes to the 2015 International Building Code, including mechanical and plumbing. We had 24 attendees resulting in a profit of around \$2,300. For you BBS certified inspectors, plans examiners, and building officials, the state will likely be holding mandatory education courses on this topic in the fall.

In September, the Annual International Code Council (ICC) Conference will be held in Columbus. Keep an eye on OBOA's website for updates. Mike Boso from the City of Grove City, Ohio is running for an ICC Directors seat. Please show your support to Mike.

From Your Secretary

This month we are sending information on the FBOA golf outing as well as our own. FBOA will reciprocate and send our information to their members.

Most of the membership dues are in, including the 72 Cleveland members. We will be checking the dues status of all registrations this month. Members in default will not receive certificates. Status inquires can be emailed to boconeo@gmail.com. No phone calls please.

We still have a few members having trouble with the electronic check-in. If you're not sure your card was properly read, watch the monitor for your Boconeo membership number to be displayed. It may take a minute or so as the computer is processing everyone in front of you first. It is your responsibility to make sure you are checked in and out. If you're not on the list you won't receive a certificate.
