President's Message

Our annual business meeting and election of officers will be held before commencing our educational offering on November 15, 2017. The current officers will present a report on their accomplishments over the last year. The election of officers will occur thereafter.

BOCONEO is pleased to announce the mandatory education for the new Ohio Building Code series will be held Friday January 5th at the Normandy Party Center. This meeting will replace our regular January monthly meeting. The Board of Building Standards will be publishing a sign up procedure. Lunch will be provided for all BOCONEO members in attendance. Non-members will be charged 15 dollars. More details to follow.

Depending on whether we publish a newsletter in December, this is likely my last article as President of this fine organization. I want to thank you for supporting me over the last two years and I request you continue supporting the next President and the Board of Directors.

In conclusion, the holidays will be upon us shortly. I want to wish all of you a fun and healthy holiday season

James Decker
President
